Waldorf Leadership and Community Development Program Schedule

May 2026 - April 2027

The **Waldorf Leadership and Community Development Program** is a dynamic, certificate-earning training designed for those currently serving - or aspiring to serve - in leadership roles within independent or public Waldorf school communities.

Through a **low-residency format**, participants engage in a combination of online sessions and in-person residencies that bring together seasoned leaders to strengthen skills, capacities, and perspectives in Waldorf school governance and leadership.
